SOURCE Neue Zuercher Zeitung.USSR EXPLOITS THURINGEN URANIUM DEPOSITS

Feverish prospecting for uranium by Soviet experts is taking place in the central sector of the Thuringen Forest, and the newly found occurrences are being exploited on behalf of the Soviet Union.

Thousands of workers have been assigned to the project, and entire villages and sections of neighboring cities, such as Illmenau, will have to be evacuated to make room for engineers and specialists who have arrived from the USSR.
